*An important note about submitting courses to STARFLEET Academy*

*When enrolling in multiple courses from the same college, please note that you can submit a maximum of ten (10) courses at once. After submitting your coursework, you'll need to wait for the College Director to enter your grades into the STARFLEET International (SFI) database. They have up to ten days (10) to complete this process before you can submit an additional ten (10) courses. This policy is in place to ensure that STARFLEET Academy Directors do not become overwhelmed.*
