

Greetings to STARFLEET International Members attending the International Convention 2016 in Louisville, Kentucky. Trekkin' II: Horsing around on the Ohio!

STARFLEET Medical Directorate

STARFLEET Medical Directorate is part of the STARFLEET International fan association
 URL: <https://starfleetmedical.org/>

STARFLEET Medical Directorate (and the STARFLEET Medical Corps) -- a community health and home safety group that is oriented toward volunteer service.

Members of the STARFLEET Medical Corps work collaboratively with SFI Regional leadership and like-minded SFI members to raise community health promotion, public health, and home safety issues (and related community service activities) within the organization and in keeping with the "Let Me Help" theme of "Star Trek" tv shows and movies.

- *Canned Food donations
- *Blood donations
- *First-Aid/AED demonstration
- *Sharing community health and home safety information
- *Member recognition program

FADM Wayne Killough, Jr, SFMD
 Commander, STARFLEET International

(1976-2016)

In all of the positions he held within the SFI organization, Wayne's efforts were always supportive of SFI and the members. The actions of Wayne reflected great credit upon him, the SFI organization, the SFI-STARFLEET Academy, College of Medicine, and the STARFLEET Medical Corps.

FADM Wayne Killough, Jr, SFMD, CS, SFI, will be missed by all who knew him.
